JOB POSTING: COMMUNITY GARDNER

Berkshire Community Action Council is seeking an experienced gardener/farmer for three community gardens located in Pittsfield, Ma. for the period May 6 - November 15, 2013.

\$15.00 for 33 hours per week including some evening and weekend hours. This is a seasonal position. Must have own reliable transportation to move from garden to garden.

Duties include:

1. All general garden functions such as planning, planting, maintaining and harvesting the 3 gardens.
2. Build/expand volunteer base, and work with existing volunteers and community groups.
3. Create a learning environment for adults and children.
4. Plan and promote garden events and activities to engage community.
5. Ability to work with elementary school personnel, (teachers, administrators and cafeteria staff) to foster nutrition, literacy, science and math concepts.

The gardener will report to a community advisory committee that will oversee and provide direction. Must have excellent written and oral communication skills.
Must be able to pass a CORI/SORI check.

Please submit resume by April 17th to: B.C.A.C.
