

## **BERKSHIRE CONSERVATION DISTRICT BOARD MEMBERS WANTED**

Are you looking for a way to get involved with conservation issues in Berkshire County? Berkshire Conservation District is seeking new members to join our dynamic volunteer Board of Supervisors. Supervisors serve landowners and communities by advocating for and directing efforts to address natural resource conservation issues in Berkshire County.

The Berkshire Conservation District is a state-mandated agency whose mission is to support local agriculture, natural resources and environmental sustainability in Berkshire County through education and in cooperation with the USDA Natural Resources Conservation District.

Interested? Please send a brief description of why you are interested in joining and your resume to: [berkshireconservationdistrict@gmail.com](mailto:berkshireconservationdistrict@gmail.com)
