

The Applicant, Berkshire Environmental Action Team, Inc. (BEAT), will file a Notice of Intent (NOI) with the Pittsfield Conservation Commission on or around April 28, 2022. The Applicant is proposing a riverbank restoration project to remove by hand non-native, invasive species and to plant native, wildlife-support vegetation at 20 Chapel Street in Pittsfield, MA along the bank of the southwest branch of the Housatonic River. The project will restore the natural capacity of the resource area to protect the interests identified in the Wetlands Protection Act (M.G.L. c. 131 §40). The anticipated public hearing date is on or about May 19, 2022 in Pittsfield, MA.

The reviewing conservation commission will be the Pittsfield Conservation Commission located at 70 Allen St, Pittsfield, MA 01201, [\(413\) 499-9359](tel:4134999359). To obtain additional information regarding the dates, times, and locations of the public hearings, please check the Pittsfield Conservation Commission [website](#). To obtain more information regarding this application or to obtain an electronic copy of the application, contact the Applicant, Berkshire Environmental Action Team (BEAT) at team@thebeatnews.org or (413) 464-9402.
