

Role: Energy Advocate for ener-G-save team

Hours: 10 - 35 hours weekly (variable options) – Western MA, some virtual, some within community

The Energy Advocate (EA) role aims to work directly with community-based organizations and municipalities to increase public engagement with Mass Save Programs. The EA will work to connect customers with energy efficiency programs, consult on customer-specific questions, help customers to overcome barriers to participation in Mass Save programs, and track those barriers. The EA role fosters community engagement, energy efficiency program enrollment, and an increased knowledge base about Mass Save programs.

ener-G-save is an equal opportunity employer, committed to creating a diverse and inclusive workplace. We welcome individuals from environmental justice communities to apply.

Application Process: Write to susan@ener-g-save.org for more details. Proposals will be accepted until the right person is found. Please include a letter indicating why you are interested in this work and what experiences you have had that qualify you for this position. This position is in formation, with flexibility on hours, pay, and type of work to be done, depending on applicants.

About ener-G-save: Since 2017, ener-G-save (www.ener-g-save.org) has been working in Western Massachusetts to assist residents to take advantage of the Mass Save programs that provide no-cost energy assessments and generous financial incentives for people to make their homes energy efficient, contributing to the needs of the planet, while helping their family save money.
